

HONORING DEBORAH "DEBBIE"  
BEAHAN FOR HER DEDICATION  
IN SERVING HUDSON FALLS

**HON. ELISE M. STEFANIK**

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, June 21, 2022*

Ms. STEFANIK. Madam Speaker, I rise today to honor Deborah "Debbie" Beahan for her years of service to the Hudson Falls community. Debbie spent much of her professional life working for Washington County and volunteering for several community organizations. Her dedication to her work and community has made a profound impact on Hudson Falls.

Debbie was born and raised in Ticonderoga, New York and 1974, she moved to Hudson Falls. She worked for Washington County for 32 years. For 20 years, she worked for the Department of Motor Vehicles, which honored her in 1999 for her contributions to the community. After her time at the Department of Motor Vehicles, Debbie worked in the County Clerk office, serving as Deputy Clerk for 8 years and as County Clerk for 4 years.

In addition to her career in public service, Debbie has volunteered at the Senior Center of the Kingsbury & Fort Edward Area, Inc. for the past 9 years. She is the president of the board of directors at the center and is a vital part of their daily operations. During the pandemic, Debbie's work was especially critical, as she made sure the members were kept up to date on all pressing matters related to COVID-19. She also helped to install the "My Senior Center" software program that reports membership, personnel, events, meals, and transportation statistics for the center.

Debbie got her start as a volunteer with the Special Olympics in the 1980s as a bowling and track and field coach. She also served as treasurer of the Washington County Republican Committee Women's Club, was involved with the heart fund, and participates in the Public Health Committee for employees. Due to all her years of hard work and dedication, it is no surprise that Washington County is honoring Debbie for her incredible service as a part of Older Americans Month. On behalf of New York's 21st District, I thank Debbie for her dedication to the Hudson Falls community and wish her all the best in future endeavors.

HONORING THE 100TH ANNIVERSARY  
OF AMERICAN LEGION  
KARL ROSS POST 16

**HON. JERRY McNERNEY**

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, June 21, 2022*

Mr. McNERNEY. Madam Speaker, I ask my colleagues to join me in recognizing the American Legion Karl Ross Post 16 in Stockton, California on the 100th anniversary of its founding.

For the last century, the Karl Ross Post has provided assistance and fellowship to Stockton's many veterans and promoted patriotism in the community at-large. Their Honor Guard has marked the interment of many veterans with the dignity and ceremony they deserve—helping their families and our community to recognize their contributions to our peace, freedom, and security.

Through the ceremonies the Karl Ross Post organizes—often in conjunction with other veterans' organizations—our community remembers and recognizes the sacrifices veterans have made, and better appreciates the blessings of the liberties and freedoms that we hold dear.

Along with the strong role the Karl Ross Post has played locally, it has also had a national reach. Every American veteran has been touched by the efforts of Warren Atherton, who rose from Commander of the Karl Ross Post to National Commander of the American Legion, where he worked with Francis Sullivan to draft the G.I. Bill of Rights.

Today, the Karl Ross Post and its members continue their tradition of promoting patriotism and assisting a new generation of combat veterans as they re-enter civilian life.

I ask my colleagues to join me in honoring the American Legion Karl Ross Post 16 and its century of service to our veterans, our community, and our Nation.

DAWSON MOORE

**HON. JEFFERSON VAN DREW**

OF NEW JERSEY

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, June 21, 2022*

Mr. VAN DREW. Madam Speaker, this month, I had the honor of attending Dawson Moore's Eagle Scout Court of Honor ceremony. Dawson graduated from Middle Township High School last year and is a part of Cape May Court House's Troop 65. For his Eagle Scout project, he refurbished the Goshen Therapeutic riding ring at the Cape May County equestrian facility, which allows participants to experience the benefits of horseback riding while working on their own personal challenges. Dawson replaced the fencing around the riding ring, which was in desperate need of repair. He should be proud of his project, and it was my honor to recognize him for his service to the South Jersey community. I wish Dawson the best of luck on his future endeavors. God Bless Dawson, and God Bless our United States of America.

HONORING THE PUBLIC SERVICE  
OF JON BOUGHTIN

**HON. DEREK KILMER**

OF WASHINGTON

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, June 21, 2022*

Mr. KILMER. Madam Speaker, I rise today to speak on behalf of Jon Boughtin, an exceptional staffer and someone I'm proud to have called a partner.

Jon was the very first Director of Member Services for the New Democrat Coalition. In this role, he worked every day to build a strong coalition made up of effective members of Congress. His work demonstrated a commitment to getting good things done for the American people—and to helping every member of our coalition do that too. Beyond that, Jon fostered a community of leaders that resembled a family more than a caucus. I consider myself lucky that he held the role during my Chairmanship of the Coalition.

We talk a lot in the New Dems about delivering for Americans and getting results in Con-

gress. But that doesn't just happen. It takes hard work and a commitment to do the tough work of finding common ground. That's what Jon's all about. He always challenged the New Dems to keep the concerns of our friends and families back home front and center. His dedicated work to provide resources to our members and staff empowered our members to make a real, tangible difference on a host of issues—from inflation to workforce development. I knew I could always turn to Jon for candid advice, smart analysis, and creative solutions. His sense of humor wasn't half bad either.

For Jon, working for the New Dems wasn't just a paycheck. It was a mission. And thanks to him, our Coalition has never been stronger. Though I'm sad to see him go, I wish him luck in his new role. To Jon—as well as to his family, from whom we borrowed Jon on many late nights and weekends—I offer my congratulations, my best wishes, and my sincere thanks for years of service.

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, June 21, 2022*

Mr. POSEY. Madam Speaker, I rise to recognize Mr. Keith Moskowitz from Vero Beach, Florida, a constituent who has earned distinction for his dedication to ensuring safe communities and for his commitment to making a difference in the lives of others by investing in people and creating opportunity.

Keith started his first job when he was only eight years old and since then has worked hard and owned many businesses. Being called to serve others, Keith put his businesses on hold and joined the New York City Police Department. Over the course of his 15-years of service Keith received over 60 awards for his excellent police work, including meritorious and bravery medals. He earned two promotions and led an investigative squad focusing on domestic violence, burglary, and homicides. On September 11, 2001, Keith was on duty in downtown Manhattan when the Trade Center was attacked and worked tirelessly to assist people in getting to safety.

In June 2006 Keith retired from the NYPD and relocated to Florida where he once again joined the private sector building a string of successful small businesses in the automotive and home repair industries which he grew to include more than 20 employees. Keith's philanthropic nature has benefited his community as he has given much of his time and resources to local schools, local governments, and people in need of assistance.

Recognized by the governor of Kentucky, Keith was awarded the distinguished Kentucky Colonel designation for his continued investments in people and the communities in which he has served. I ask my colleagues to join me in recognizing Keith Moskowitz for his dedication to community service, courageous acts, and generous spirit.
